Dear Our Lady's School Families,

Due to the spread of the coronavirus/COVID-19, the diocese has asked all schools to close beginning on Monday, March 16, 2020, for an indefinite period of time. In lieu of this temporary stoppage of daily attendance, our teaching staff will be working to keep the students active in the learning process. On Monday, the teachers will be at school, planning lessons and activities for the students to complete, while they are at home. We are not considering this a vacation, but an opportunity to develop our distance learning resources. Students will be responsible to complete daily work and turn it in to their teacher. If there is an issue with internet access at home or the lack of a proper learning device, we will work with you to make all the accommodation that we can.

We will continue to update you through our email system and social media, in an effort to make sure that the educational process moves smoothly. We are confident that we will see our way through this setback, and return to normalcy in the near future. Please pray for a resolution to the current health crisis that our country is facing. God Bless.

Yours in Christ,

Noel Bishop
