## **ADMINISTRATIVE INFORMATION**

### **MISSION STATEMENT**

The mission of Our Lady's School is to provide a quality Catholic education that prepares our students for lives of service and leadership. In the Ignatian tradition, we establish a Christ-centered environment that nurtures the spiritual, academic, social, and cultural development of the whole child. We strive to provide all families in the community with the opportunity to receive a Catholic education.

### **PHILOSOPHY**

Our Lady's School students learn that God loves each of us and that our loving response to God leads to a more fulfilling life. In partnership with the parents, who are the primary educators of their children, the administration and staff are committed to assisting students in developing to their full potential in all areas: spiritually, academically, socially, and culturally.

### **VISION STATEMENT OF INCLUSION - DIOCESE OF SAN DIEGO**

The Catholic schools in the Diocese of San Diego do not discriminate on the basis of race, color, and national and/or ethnic origin, age, sex or disability in the administration of educational policies, scholarship programs, athletic and other school-administered activities. Likewise, Our Lady's School and all the Catholic schools in the Diocese of San Diego do not discriminate against any applicant for employment on the basis of sex, age, disability, race, color and national and/or ethnic origin.

### **PARENTS AS PRIMARY EDUCATORS**

Catholic education begins with the parents who bear primary responsibility for the education of their children, including:

- To establish a home environment which teaches the moral values, religious habits, social skills, self-discipline, and commitment-to-learning upon which successful Catholic schooling is based.
- To establish and maintain a collaborative and mutually-supportive relationship with the school.

### **PARENTAL INVOLVEMENT IN SCHOOL COMMUNITY**

Our Lady's School is a partnership of dedicated staff working with actively-involved parents. The total school community includes students, parents, teachers and staff, alumni, donors, parishioners, and priests. Parent attendance at school functions is strongly encouraged as it benefits and enhances the Catholic school experience of each child.

In regard to each child's religious formation, parents are expected to:

- Talk to their children about God and their own faith
- Pray together before meals and at bedtime
- Attend Mass together on Sundays and special days
- Keep informed about the religious concepts the children are learning
- Become involved in your local parish or church

## WCEA/WASC ACCREDITATION

Each school in the Diocese of San Diego undergoes self-evaluation and accreditation by the Western Catholic Education Association (WCEA) and the Western Association of Schools and Colleges (WASC) every six years. This process ensures the school site is upholding rigorous academic standards and is maintaining a community of Catholicity for all attendants. Our Lady's School was accredited during the 2022-2023 school year. A full six (6) year term of accreditation was granted. Our next WCEA/WASC review will be in 2028.

## HISTORY OF OUR LADY'S SCHOOL

**Our Lady's School** has been dedicated to the spiritual and academic development of children for over 114 years.

Two separate Catholic schools merged in 1973 to become what we now call **Our Lady's School**. OLS carries on the traditions of **Our Lady of Angel's School** and **Our Lady of Guadalupe School** each with its rich history of academic excellence and achievement in their respective communities.

**Our Lady of Angels School** is the oldest Catholic elementary school in the San Diego Diocese. The Sisters of St. Joseph of Carondelet (Los Angeles) staffed the school which opened in 1912 to serve the children of Sherman Heights and Golden Hill neighborhoods. Our current school building opened in 1922 to serve first through eighth grade students.

In 1945, the Sisters of St. Francis of Philadelphia established **Our Lady of Guadalupe School** to meet the growing demand for quality Catholic education in the Barrio Logan and Logan Heights neighborhoods.

In the late 1960s, a combination of civil unrest and rezoning laws led to a dramatic decline in enrollment at both schools. In the face of financial difficulties and possible closure, the two schools merged in 1973.

Today, **Our Lady's School** stands as the oldest Catholic elementary school in the Diocese of San Diego. The Fr. Brown Campus at Our Lady of Guadalupe Parish accommodates transitional kindergarten through second grade. The North Campus at Our Lady of Angels parish accommodates our third through eighth grade classrooms.

In an effort to nourish both the academic and spiritual needs of our students, **Our Lady's School** has sought the guidance of the Jesuit Order through the supporting parish of Our Lady of Guadalupe. We strive to evoke St. Ignatius of Loyola's standards of education by promoting justice, love, service and spirituality in all that we teach and do.

## PARENTS' ASSOCIATION (PA)

The purpose of this organization is to build community and bring about a closer relationship between the school, home, and parish. PA officers are parent volunteers (President, Vice President, Secretary, and Treasurer) and meet regularly with Room Representatives to plan upcoming events. All activities are approved by the school administration.

## ADMISSIONS

### POLICY OF NON-DISCRIMINATION BY SCHOOLS, DIOCESE OF SAN DIEGO

The Catholic Schools in the Diocese of San Diego, mindful of their mission to be witnesses to the love of Christ for all, admit students of any race, color, and national and/or ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the schools. The Catholic Schools in the Diocese of San Diego do not discriminate on the basis of race, color, and national and/or ethnic origin, age, sex or disability in the administration of educational policies, scholarship and loan programs, and athletic and other school-administered programs.

### ADMISSIONS POLICY AND PRIORITIES

Registration will be prioritized based on the following criteria:

1. Age and/or developmental readiness of the child.
2. Siblings of current students
3. Registered parishioners of Our Lady of Guadalupe or Our Lady of Angels parishes
4. Children and grandchildren of OLS alumni
5. All others

New and returning students are required to pay a non-refundable registration fee at the time of registration.

*Our Lady's School has rolling admissions throughout the school year as space allows.*

### AGE OF ADMISSION

- ❖ Incoming Transitional Kindergarten students must be age 4 before September 1.
- ❖ *Children may join Transitional Kindergarten when they turn 4 years old.*
- ❖ For Kindergarten, the child must be age 5 before September 1.

Prior to the admission of the child, proof of age is required in the form of a birth certificate, baptism certificate, or a passport is required during registration.

### NEW STUDENTS (Grades 1-8)

Children transferring from another school need to bring their report cards from their previous school as proof of attendance at the previous school.

### NEW STUDENT PROBATION POLICY

Our Lady's School wishes to facilitate the academic growth of the students it accepts. Because of limited resources, the school may not be able to meet the needs of some children. With that in mind, all students transferring into Our Lady's School are accepted with the understanding that they are on probationary status for their first year. Students who complete their first year having satisfactorily demonstrated age-appropriate behavioral, social, intellectual, and academic

development will be removed from probation. Any decision regarding students who may return on probationary status will be made after considering all facts related to the particular student's development, which includes:

- Conferences with the parents and student
- Reviewing the various data collected by the administration and teachers throughout the school year
- Agreement by both student and parents that they will adhere to the conditions set forth, as well as any accommodations made, which the administration believes may be necessary to promote the student's development.
- Understanding that if the school determines the child's needs cannot be met, parents will need to seek an alternative placement for their child.

## **IMMUNIZATION AND HEALTH SCREENING REQUIREMENTS**

Under the statutes shown below, children in California are required to receive certain immunizations in order to attend public and private elementary and secondary schools, child care centers, family day care homes, nursery schools, day nurseries, and developmental centers (pre-kindergarten facilities). Schools are required to enforce immunization requirements, maintain immunization records of all children enrolled, and submit reports.

California State Immunization Bill (AB 277 Title 17, Division 1, Chapter 4 Article 600) which went into effect on July 1, 2019 applies to all private and public schools. Likewise the following statutes apply to all private and public schools [California Health and Safety Code, Sections 120325-120375](#).

All students attending Our Lady's School must be immunized for the school year, except if the student has a documented medical exemption written by a CA licensed MD or DO.

## **ATTENDANCE**

### **REGULAR ATTENDANCE IS ESSENTIAL FOR LEARNING**

Every minute of a child's time at school is important. Children who are absent for even one day, or who arrive later than their classmates, miss valuable instruction time and can easily fall behind in school. They also miss important socialization time and fun with their peers.

### **What do I do if my child is absent from school?**

Please call the School Office by 9:00 A.M. each and every day that your child will not be in school. When leaving a message regarding your child's absence please provide the following information:

- Student's name
- Date(s) absent
- Grade
- your relation to child
- Daytime phone number
- Reason for absence

### **What is an Excused absence?**

Under California Education Code section 48205, a pupil shall be excused from school when the absence is:

1. Due to the student's Illness.
2. Due to quarantine by a county of city health officer.
3. Due to a dentist or medical doctor's appointment.
4. Attendance at a funeral of an immediate family member (1 day if in California, up to 3 days if out of state).

Justifiable personal reasons including (but not limited to):

- a. religious holidays or celebrations
- b. appearance in court
- c. attendance at a funeral

All students absent from school under any of the above stated reasons are entitled to complete all assignments and tests missed during the period of absence. Completion must be within a reasonable period of time and shall be given full credit.

### **What is an Unexcused absence?**

Under California Education Code section 48205. Unexcused absences are those that do not meet the above listed criteria. An unexcused absence may be either an unverified absence (i.e. when a student "cuts" school) or a verified unexcused absence that occurs with the approval of the parent or guardian, without a prearranged agreement with a school administrator.

*For example, missing school due to a family vacation is considered an unexcused absence.*

### **Do I need a doctor's note to verify an absence for illness?**

A doctor's note helps verify an excused absence and shall be required if excessive absences due to illness have previously occurred.

### **What happens if my child misses school?**

Most children and youth are absent from school at one time or another when they are sick. However, the State of California defines a student as truant after he/she has three unexcused absences and/or has missed more than 30 minutes of school without a valid excuse within one school year.

### **What happens if my child misses school due to a family trip?**

Our Lady's School urges families to schedule trips during the 185 days of the year when school is NOT in session. Absences due to family trips are unexcused. In extraordinary circumstances where an emergency situation exists, short-term independent study may be approved by the principal on a case-by-case basis.

## **TARDY POLICY**

Students are expected to be in their classroom by 8 AM at North Campus and by 8:15 AM at Father

Brown Campus. Students who are tardy cause disruption in the classroom and front office. In accordance with the Tardy Policy of Our Lady's School, tardies accumulate with the following consequences:

- 5<sup>th</sup> & 6<sup>th</sup> tardy – Email sent home/Notice of Concern
- 7<sup>th</sup> & 8<sup>th</sup> tardy – School officials meet with parents/guardians and student(s)/Detention
- 9<sup>th</sup> tardy – Meeting to discuss further disciplinary action

## **TRUANCY POLICY**

Habitual truancy is defined as “Any pupil subject to compulsory full-time education who is absent from school without a valid excuse for ten percent or more of the school days in one school year, from the date of enrollment to the current date, is deemed a chronic truant” (Effective January 1, 2011, *EC sections* 48260, 48260.5, 48261, 48262, 48263, and 48291).

Students who are chronically truant, may be subject to the following consequences, but not limited to:

- Loss of participation in after school sports
- Loss of participation in field trips
- Grade level retention
- Missing work may not be provided

## **DOCTOR AND DENTAL APPOINTMENTS**

Appointments should be made after school if at all possible. If a child is to be released during school hours, students must be signed out and picked up at the front office in person. Parents may not go to the classroom to get a child for an appointment. Students will be called to the office upon parent arrival and sign out from the front office.

## **RELEASE OF STUDENTS DURING SCHOOL HOURS**

No student is permitted to leave the school grounds at any time during school hours, or to be released from class without prior notice from the parent or guardian. A student who leaves early must be signed out by a parent or guardian at the school office. If your child must be signed out by anyone else we must have written authorization and positive identification.

## **ABSENCE and PARTICIPATION IN SCHOOL EVENTS**

Students must be in attendance for at least half the school day (3.5 hours) if they wish to participate in extracurricular activities associated with the school on the day of the activity.

## EXTENDED ABSENCE

The school calendar and vacation days help you to plan your vacations during non - school time. Our Lady's School does not encourage taking students out of school for extended absences during the school year. However, we do realize that family events occur that can't be helped. In the case of a long-term absence, students will be expected to finish all missed assignments upon their return. A reasonable amount of time will be given to complete these assignments. No credit will be given if the assignments are not completed on time.

## SCHOOL SCHEDULE

### CALENDAR

The school calendar which is posted on the school website ([www.olssd.org](http://www.olssd.org)) lists instructional days, holidays, minimum days, and vacations. If any changes are necessary, parents will be notified through the weekly newsletter.

### MINIMUM DAYS

**Minimum Days, dismissal at 12:35 PM**, are scheduled every Wednesday and in conjunction with a holiday unless otherwise noted in the school newsletter. Students remaining on campus after 1:00 PM will be signed-in to After Care and parents will be charged the After Care fee.

## COMMUNICATION

### SCHOOL COMMUNICATION WITH PARENTS

It is essential that there is an efficient and effective system of communication between the home and school to facilitate both cooperation and understanding. Our regular channels of communication are as follows:

- Parent Handbook
- Weekly School Newsletter
  - ◆ sent by Email during school year
  - ◆ posted on school Dojo
  - ◆ What's happening next week and a calendar of future events
  - ◆ Parents' Association events, deadlines, Free Dress days, Field Trips, etc.
- School Website
- Back-to-School Night, Parent-Teacher Conferences, and Principal Meetings
- Facebook page/Instagram postings
- Email blasts

## TEACHER COMMUNICATION WITH PARENTS

Teachers communicate with parents in a number of ways:

- Back-to-School Night
- Email, Weekly Newsletter, Class DoJo postings
- Contact by phone
- Parent-Teacher Conferences (Fall and Spring)
- Other conferences as deemed necessary

Although the classroom teacher will express the preferred method of communication, please note that they may not be able to check email on a regular basis throughout the day. Call the School Office if you must communicate with your child or if an emergency arises. School staff will convey the message to the teacher.

## PARENT COMMUNICATION WITH SCHOOL

In order to ensure the success of the students, the following policies have been established to assure communication between school and parents:

- Any concerns, questions, doubts, etc., must be brought to the teacher first. The teacher has the student's best interest in mind, and is in a position to know each child's unique situation.
- If, after meeting with the teacher the parent is not satisfied, then an appointment with the principal should be made. The principal may deem it necessary, in the interest of good communication, for the parents and teacher to confer with administrative staff.
- The school trusts that all parents at all times will treat teachers with respect. If at any time this does not occur, the conference will immediately be terminated and will be continued at the discretion of the principal and/or pastor. Further action will be taken at that time.
- Our Lady's School is a Catholic community where we value all of its constituents and respect one another greatly. Therefore, parents should not engage in speech or action, with or about parents, pastor, faculty, administration, or students which would compromise any person involved with the school.

Teachers will not be called to the phone during school hours, nor will private phone numbers of teachers be made available. A message for a teacher may be left with the school secretary or by e-mail. (All email accounts are the teacher's first initial followed by their last name **@olssd.org**). The teacher will respond within 24 business hours. Written notes may also be sent to the teacher. Complaints or concerns should be handled at the most immediate level possible.

If you have a question regarding a classroom situation, please discuss it with your child's teacher. Our faculty are very responsive and understanding, and are more than willing to help resolve problems in a timely manner. Only after such attempts have failed or if there is a question pertaining to school policy, should the Principal be contacted.

To eliminate class interruptions, parents may not, at any time, deliver messages, lunches, homework, etc. to classrooms. If a parent has a message for a child, contact the school office directly.

## **PARENT - TEACHER - STUDENT CHRISTIAN CONVERSATION**

Parents should not engage in speech or action, with or about parents, pastor, faculty, administration, or students which would compromise any person involved with the school.

## **MARITAL/CUSTODIAL ARRANGEMENTS**

Parents must notify the school in the event there are any changes in marital or custodial arrangements. Divorced or separated parents must file a court-certified copy of the custody section of the divorce or separation decree with the principal's office. The school will not be held responsible for failing to honor arrangements that have not been made known in writing.

## **BACK-TO-SCHOOL NIGHT**

At the beginning of each school year the school has a Back-to-School Night for grades TK-8 where parents are informed of the procedures for each grade. Watch the school newsletter for dates and times.

## **PARENT/TEACHER CONFERENCES**

Conferences will be formally scheduled to discuss student progress and parents may also request conferences. Other conferences may be scheduled at mutually agreeable times. Call the school office or email the teacher to request a conference.

## **APPOINTMENTS**

Appointments with school personnel must be arranged ahead of time. Contact the school office to request a meeting and the staff will assist you.

## **COMPLAINTS**

Our Lady's School faculty and staff are dedicated to providing the finest quality Catholic education consistent with the stated mission. If a concern arises about a particular situation, faculty, staff and parents are expected to respectfully contact the parties involved to address the problem. School administration has an open-door policy and encourages open dialogue.

## **FINANCE**

Our Lady's School strives to make Catholic School tuition affordable for as many families as possible. Please keep in mind that the actual cost of educating each student exceeds the tuition amount charged.

## **TUITION AGREEMENT**

Every parent or guardian who enrolls a child in the school must set up a tuition agreement each

school year. Parents must also complete Enrollment OR Re-Enrollment each school year.

## **TUITION PAYMENTS**

Tuition is charged annually and can be a one-time payment (August), in two installments (August and January), 10 monthly payments (Aug - May) or 11 monthly installments (July – May). Tuition payments are non-refundable. Tuition is processed through FACTS, a third-party tuition management program. All families will be set up with one FACTS account. For increased flexibility, the school provides three monthly payment date options for automatic debits: the 1<sup>st</sup>, 10<sup>th</sup> or the 20<sup>th</sup> of each month.

## **TUITION DELINQUENCY**

If you are having trouble paying your tuition, please contact the OLS Business Office right away. We will do our best to work with you. Arrangements/payment of delinquent tuition will be expected or parents will be asked to remove their child(ren) from Our Lady's School by the end of that current month.

## **FINANCIAL OBLIGATIONS AND GRADUATION**

All tuition obligations must be fulfilled prior to the 8th grade graduation. Students will be denied participation if financial obligations are not met.

## **TUITION ASSISTANCE**

Tuition assistance is available for qualified families. Applications for tuition assistance are submitted online through FACTS when the enrollment period starts.

# **HEALTH AND SAFETY**

## **CHILD ABUSE REPORTING OBLIGATION**

All teachers and staff are mandated reporters. By law, they are obligated to report suspected child abuse and/or neglect. In the event of a visit from a social worker or police officer, the administration will verify the visitor's identity, office personnel will retrieve the student from class, and the child will be asked if he/she would like a member of the school staff in the meeting.

## **ILLNESS AND INJURY**

No nurse is on duty at the school, but the staff may administer minor First Aid and are trained in CPR, which is recertified every two years. When a student is injured or becomes ill, the parents/guardians will be contacted. If the parents cannot be reached and the illness or injury is serious enough to require medical attention, the principal shall consult the student's emergency contacts and arrange for the treatment authorized therein.

**Children who are ill should remain home. Students may return to school if symptoms are improving and they have been without a fever for 24 hours.**

Children sent home from school for illness must be signed out in the office before release. They

will be released only to a parent/guardian or to a person authorized by the parents.

## **EMERGENCY CONTACTS MUST BE KEPT CURRENT**

### **MEDICATIONS**

Any student who requires the dispensing of medication at school must comply with the following requirements:

- Medication must be prescribed by a California licensed physician, dentist, nurse practitioner, or physician assistant.
- An “Authorization for Medication Administration” form must be completed and signed by the health care provider prescribing the medication and the student’s parent/legal guardian for all prescription and non-prescription medication. *A new form is required each school year.*
- Prescription medication must be provided in the original container labeled by a California pharmacist, with the student’s name, medication name, prescriber’s name, and dosage/administration instructions.
- Non-prescription medication must be provided in the original container, with the medication name, dosage, and instructions.
- All prescription and non-prescription medication must be brought to the school office by a parent/legal guardian.
- It is the parent’s responsibility to inform school personnel of possible side effects of the medication.
- All medication will be stored in the school office.
- Students who require inhalers or epinephrine (EpiPen) for emergency management of medical conditions may choose to carry their medication with them. A signed “Authorization for Medication Administration” form must be on file in the school office.
- Students are not permitted to use other student’s medication supplies, even if they use the same prescription or non-prescription medication.
- It is the responsibility of the parent/guardian to replace the medication when it expires.
- At the end of the school year, all remaining medication will be returned to the parent/guardian. It is the responsibility of the parent/guardian to arrange for the pickup of the medication.
- It is the responsibility of parents/guardians to inform us of a student’s allergies, hypersensitivity reactions (to bee stings, peanuts, foods, etc.), any physical limitations (hearing, vision, etc.), or chronic illnesses. This information must be indicated on the student registration forms, and communicated to the student’s teacher. It is also the responsibility of the parent/guardian to provide the school with any medication needed in the event of exposure to an allergen or any devices needed to assist the student while at school.

### **AUTHORIZATION FOR TREATMENT / TRANSFER FOR MEDICAL ATTENTION**

If parents/guardians cannot be reached and the illness or injury is serious enough to require medical attention, the administration will review the emergency card and arrange for medical treatment and/or possible transfer to a medical facility. Enrollment at Our Lady’s School confers upon the school the obligation to select and arrange for emergency medical care when the school is unable to reach the parent(s) and/or designated guardian. Our Lady’s School is not responsible for costs incurred for medical care.

## **EMERGENCY CARE INFORMATION**

Each student must have current emergency contact information in the registration form. This form must be updated and all phone numbers must be kept current. Teachers and staff are trained in First Aid and CPR, and can provide basic assistance to children with injuries. In case of a serious medical emergency the parent/guardian will be notified and/or 911 called if needed.

## **COMMUNICABLE DISEASES**

Parents are required to notify the school office when their child has been diagnosed with a communicable disease such as, but not limited to chicken pox, measles, mumps, streptococcal infections, scarlet fever, whooping cough, conjunctivitis (pink eye), impetigo, ringworm, hepatitis, pinworms, head lice and mononucleosis. Parents of other students exposed to these illnesses will be notified. Certain reportable communicable diseases will require a permit issued by the Public Health Department, a physician, or a nurse, before the infected student may return to school.

## **HEAD LICE GUIDELINES**

Parents of any student with head lice or nit infestation will be called and the student will be sent home for treatment. The student will be readmitted to school once the treatment has concluded.

## **CONFIDENTIALITY**

Medical records are kept confidential.

## **CMG Connect -- BACKGROUND CHECK**

CMG Connect is the Diocese of San Diego's Safe Environment Compliance System for background checks. It integrates the required training and background screening components for the Safe Environment program into one convenient online process.

Volunteers and employees must view videos, read the Code of Ethical Standards, and if they have not already done so at another diocesan school, they must submit information for a background screening. Please visit the school office for further instructions. A small fee is required to complete the CMG CONNECT background check.

## **SUPERVISION**

Children may not be unsupervised at any time, both before and after school. Students who are dropped off at school are obliged to stay on school property until the bell rings. There is no supervision before 7AM. Extended Care is held before school beginning at 7:00 AM and after school until 5:30 PM. All students and siblings must be supervised by a parent/guardian while on school and parish property during non-school hours.

Supervision is provided by the team coach for students involved in after school sports. All members of a sports team must wait for their coach(es) at a location designated by their coach.

## VISITORS TO SCHOOL

Everyone must first go to the school office to sign in and get a pass before visiting or volunteering at the school. Volunteers must complete all CMG Safe Environment requirements before they can help. Volunteers must sign out when they are done. Parents or guardians who want to observe a classroom need to get permission from the administration first.

To avoid interrupting class, parents or guardians should meet with teachers only after scheduling a conference. They should not try to meet with teachers right before or after school, as this is when teachers have other duties. Students who do not attend Our Lady's School cannot be on campus during school hours unless arrangements have been made beforehand. For example, graduates of Our Lady's School may be allowed to help in classrooms for service hours.

## VISITATION OF STUDENTS DURING SCHOOL HOURS

Any adult, parent, or guardian who enters our school campus must sign in and pick up a visitor badge. This badge must be worn while on the school campus. Please sign out when leaving the campus. Persons, agencies, or organizations desiring to contact individual students during the school day must receive permission from the Administration. The school complies with the California Education Code with respect to child abuse laws. Thus, the school may be required by law (in certain cases), to allow a child to be interviewed alone by officers from Child Protective Services or to release a child into their custody.

The school may not be used by a non-legal guardian for the exercise of visitation rights.

## SCHOOL SAFETY PLAN

Each OLS campus has its own Comprehensive School Safety Plan created in consultation with parents, teachers, administration, and local law enforcement. The plans are presented to Parents / Legal Guardians at a meeting in the First Quarter of the school year. At other times, parents / legal guardians may make an appointment to review the plans in the presence of the principal or a delegate. *The 2024-2025 Comprehensive School Safety Plan satisfies the requirements specified in CA Education Code 32280.*

## SAFETY DRILLS

Fire, Earthquake, and other drills are scheduled as required by the State. Everyone on campus during a safety drill is expected to participate and follow the directions of school personnel.

## EARTHQUAKE/NATURAL DISASTER

1. The school will follow its written *Comprehensive School Safety Plan*.
2. Students will not be dismissed from school unless signed out by a parent, guardian, or designated individual named on the student's Disaster/Emergency Card. No exceptions.
3. The school will communicate with local emergency services and will care for children in a critical situation.
4. DO NOT CALL THE SCHOOL. Lines must be kept open for emergency calls and communication with local emergency preparedness teams.

## EMERGENCY PROCEDURES

During an emergency, all children will remain at the school under the teacher's guidance until a parent or authorized representative arrives to retrieve the child.

As a general rule, Our Lady's School will follow the same procedure as the public schools in the area. In the event of a serious natural disaster, the teachers are prepared to care for the students. Emergency dismissal may be made at any time by school administration when a serious condition occurs such as: a natural disaster, sickness, accident, emergency conditions, etc. warrants it. If an emergency occurs outside of school hours, please listen to the emergency broadcast system radio station for instructions on school closure.

## HOT WEATHER POLICY

As a general rule, Our Lady's School follows the hot weather policy of SDUSD. Our Lady's School does not close due to hot weather but may call for Minimum Days under certain circumstances. Minimum days would be called when the forecasted temperature is 95° or higher with a heat index of 103° or higher.

- ❖ Minimum Day schedule is **not** called on the first day of a heat wave.
- ❖ Decisions would be made by noon on the day prior to the Minimum-Day schedule being implemented.

“The **heat index** matters because it includes the amount of moisture or humidity that's in the air which can make the air temperature feel even higher.” *Source: National Weather Service*

- ❖ Fr. Brown Campus for TK-2<sup>nd</sup> grade provides air-conditioned classrooms for all students.
- ❖ North Campus for grades 3-8 provides
  - o Excellent cross-ventilation, all are corner-classrooms, and breezy hilltop location
  - o Each classroom has 8 over-sized windows, plus fans.
  - o New roof (installed January 2024) is white to reflect heat. Contractor said to expect cooler 2<sup>nd</sup> floor classrooms than in years past.

The school has guidelines in place for planning instruction during hot weather, including:

### Instructional Program Modifications

- ❖ Teachers may rearrange the daily schedule so that basic skills subjects are taught early in the day.
- ❖ Recess activities are limited to quiet games that require a minimum of physical activity.
- ❖ Physical education activities at all grade levels are limited to less strenuous activities and/or are rescheduled to a more appropriate time.

### Keeping Students Cool and Hydrated

Students are encouraged to bring containers of water to school during hot weather. Water fountains are available, and students are encouraged to take extra water breaks throughout the day. Many teachers keep spray-bottles with water in classrooms so that they can "mist" students at their request or as needed.

Students are encouraged to wear lightweight clothing in keeping with the OLS Dress Code

***Please apply sunscreen to your child before school, as school staff are not permitted to apply it.***

If your child has a medical condition that may be compromised by exposure to high temperatures, you may keep your child at home or arrange for an early release.

## **STUDENT RECORDS**

If a student is in possession of a cell phone or electronic device during the school day, the device will be collected and turned into the school office until a parent can come and pick it up.

## **CURRICULUM**

Curriculum may be defined as “all the guided experiences of the child under the direction of the school.” It includes the content of courses of study; it also embraces the development of the whole child insofar as this is within the scope of the school. ## PROMOTION/RETENTION

The decision to promote a pupil to the next grade or to retain him/her in the present grade should be based upon a consideration of the overall welfare of the pupil. Therefore, any decision concerning non-promotion will be made only after considering all facts related to the student's academic areas. Although the opinions of the teacher and parents are significant factors, the final decision to retain a pupil is the responsibility of the principal.

If conduct violations continue, a student may be removed permanently at the discretion of the principal.

## **DISCIPLINE POLICY**

In our school, as in our community, we work together. The code of conduct for our students is based on our philosophy of providing a quality education in the framework of our Catholic faith and tradition. Each component of our school community, in conjunction with our families, is committed to the welfare of the children, their growth in our faith, and their academic achievement.

Discipline in the school is to be considered as an aspect of moral guidance and not a form of punishment. It is a means of training the child to assume his/her responsibilities and be in more control of his/her conduct, helping the child grow progressively in self-competency and maturity. Discipline promotes genuine character building. Character means doing the right thing when no one is watching.

Our Lady’s School students are expected to be responsible for their behavior at all times. Each student must be familiar with all school rules and conform to them. Continued non-conformity to these rules may result in disciplinary action according to school rules. An administrator is the final recourse in all disciplinary situations and may waive any disciplinary rule for just cause at his or her discretion.

## **GENERAL RULES**

The teacher or adult staff shall discuss the problem with the child in order to solicit his/her cooperation, and may contact the parents for intervention.

## **DETENTION POLICY - FRIDAY AFTERSCHOOL DETENTION**

Detention is when a student stays after school on Friday to complete assignments, reflect on their behavior, or work on a project as a consequence of not following school rules.

### **When is Detention?**

Detention takes place on Fridays from 3 PM to 4:30 PM. Students must be in the assigned room right after school ends.

### **Why Do Students Get Detention?**

Students may receive detention for reasons like:

- Disrespecting teachers or classmates
- Not completing homework
- Being late to class multiple times
- Breaking school rules

### **What Happens During Detention?**

During detention, students will:

- Work quietly on assignments or read
- Reflect on their behavior and how to make better choices
- Follow the rules and instructions of the teacher supervising detention

### **What if a Student Cannot Attend Detention?**

If a student cannot attend detention, a parent or guardian must contact the school before Friday to reschedule.

### **How Can Students Avoid Detention?**

Students can avoid detention by:

- Completing all homework on time

### **Final Thoughts**

Detention is a chance for students to reflect on their actions and learn from their mistakes. By following the rules, students can avoid detention and have a successful school year.

## **LOSS OF PRIVILEGE**

When inappropriate behavior is more serious in nature or a student repeatedly disregards the rules, a loss of privileges (including recess/lunch recess, field trip attendance, etc.) may be used as a consequence. In these cases, parents and the principal shall be notified, and parents may be scheduled for a conference in order to discuss the behavior.

## **BEHAVIOR CONTRACTS**

Behavior contracts will be created for repeated or serious inappropriate or disruptive behavior. These contracts allow for documented communication between the teacher, student, and parents to allow for meaningful reflection and at-home consequences to support improved behavior.

## **SUSPENSION**

Suspension is used in serious cases and only when the school administration thinks it is imperative to take such action or when students repeatedly and deliberately disregard the rules of the school. A student who is suspended **may not** participate in any school activity (including sports) that may occur during the period of suspension. This includes activities that fall on weekends or holidays.

A student becomes subject to suspension if she/he:

- Becomes engaged in a violent fight on the school grounds.
- Uses language that denigrates another person, ethnic group, gender, etc.
- Leaves the school grounds without permission during school hours.
- Has in his/her possession any harmful objects or materials posing a threat to self or other students.
- Engages in other seriously inappropriate behavior including theft or dishonesty.
- Is defiant and disregards school rules and policies.

## **EXPULSION FOR DISCIPLINARY REASONS**

A student may be expelled from school for misconduct of a very serious nature calling for immediate dismissal without suspension or for a repetition of conduct for which the student has been suspended one or more times.

### **Grounds for Expulsion**

Among offenses which may be grounds for expulsion are:

### **HARASSMENT / ANTI-BULLYING POLICY**

Our Lady's School affirms the dignity of every student. It is the policy of the school to provide an educational environment in which all students are treated with respect. Harassment is unacceptable conduct. This policy addresses harassment occurring in a school environment when an individual is subjected to treatment which is hostile, offensive or intimidating because of the individual's race, creed, color, national origin, physical ability, gender, or other personal characteristics.

A charge of harassment shall not, in and of itself, create the presumption of wrongdoing. However, acts of harassment will result in disciplinary action up to, and including expulsion. Students found to have filed knowingly false or frivolous charges will also be subject to disciplinary action up to, and including expulsion. Depending on the nature and extent of the charge, if reasonable suspicion of misconduct is determined the parents of the alleged harasser will be called to take the student home pending conclusion of the investigation by the school.

The administration, faculty, and staff will make every attempt to eliminate bullying on Our Lady's School campus. Any student caught bullying another student will face disciplinary consequences. Any student who believes him/herself to be bullied should bring the issue to the attention of a teacher or an administrator. The teacher or the administrator, along with the parent, will take corrective measures to resolve the issue. Any instances of cyberbullying among Our Lady's School students should be brought to the attention of an administrator.

### **RESTITUTION FOR DAMAGE TO SCHOOL PROPERTY**

*EC* Section 48904 (b)(1) allows schools to withhold student grades, diploma and transcripts:

Any school district or private school whose real or personal property has been willfully cut, defaced, or otherwise injured, or whose property is loaned to a pupil and willfully not returned upon demand of an employee of the district or private school authorized to make the demand may, after affording the pupil his or her due process rights, withhold the grades, diploma, and transcripts of the pupil responsible for the damage until the pupil or the pupil's parent or guardian has paid for the damages thereto...

When the minor and parent are unable to pay for the damages, or to return the property, the school district or private school shall provide a program of voluntary work for the minor in lieu of the payment of monetary damages. Upon completion of the voluntary work, the grades, diploma, and transcripts of the pupil shall be released.

6. The parents/guardians of any student who has been mentioned as a potential victim, as well as any adult who has been mentioned, either verbally or in writing, will be notified immediately.

## **STUDENT TRANSFER ON GROUNDS OF PARENTAL BEHAVIOR**

Normally a child is not to be deprived of a Catholic education or otherwise penalized for the actions of parents/guardians. However, in rare instances, parents/guardians may so persistently and overtly refuse to cooperate with school staff, policies, regulations or programs, or may so seriously interfere in matters of school administration or discipline, as to significantly reduce the school's ability to serve those parents' own or other children.

In such cases, after reasonable effort to bring about the smallest degree of parental/guardian cooperation and after appropriate consultation with the pastor, the principal may recommend to the parents/guardians that they transfer their child. Documentation of the basis for this action and of all consultation with the parents/guardians on the matter will be retained on file.

If the parents/guardians refuse to accept the recommended transfer, the procedures for notification, conferencing, written documentation will be followed as in cases for disciplinary expulsion.

**FREE DRESS (NON-UNIFORM)**

Non-uniform or free dress days may be scheduled from time to time. Students must be appropriately and modestly dressed, even though not in official school uniform. The school's intention in setting out guidelines for non-uniform dress is to help ensure students are not calling attention to themselves by the way they dress.

The following items may not be worn on non-uniform dress days:

- Tank tops, halter tops, bare midriffs (when arms raised), plunging necklines
- Skirts, dresses and shorts may not be shorter than 4" above the knee
- Sandals, flip flops, platform shoes, high heeled shoes
- Costumes/dress up outfits (except for Halloween)

If a child is deemed by the administration to be inappropriately dressed, the child will be sent home with the parent to change into a school uniform, then return to school. Non-uniform dress requirements extend to field trip days.

From time to time special dress-up days will be scheduled. Watch the newsletter for particulars about the theme and guidelines for the day.

**RIGHT TO AMEND**

In all school policies, the administration, in consultation with the pastor, retains the right to amend this handbook at any time. Parents will be given prompt notification if changes are made.
